WHY PRONTO XI

Fourteen industries, one connected platform

From farms to pharmacies and from fashion to fire services, every industry has its own pressures: demand swings, compliance rules, fragmented systems.

Pronto Xi brings financials, supply chain, manufacturing, retail and service management together, so each business works from live, shared data.

ALSO WITH DEDICATED PAGES

- Construction and Engineering
- Manufacturing
- Mining
- Retail
- Service
- Wholesale Distribution

INDUSTRIES

Find your industry

Agriculture

Manage risk in unpredictable conditions. Optimise procurement, transport and quality control.

Automotive

Keep pace in a fast-moving market with clearer financial performance, granular operational monitoring and better cost and revenue tracking.

Building Material Suppliers

Support quality, compliance and efficiency with Manufacturing Management, supply chain visibility, goods management and real-time insights.

Chemicals, Paper & Rubber

Respond to shifting demand and strict environmental rules with insights for continuous production optimisation and compliance.

Facilities Management

Automate processes, improve customer interaction and workforce efficiency, and reduce cost.

Fashion

Use the Retail application to tackle fragmented inventory, distribution delays, high demand and eCommerce needs.

Food & Beverage

Connect financials, manufacturing, supply chain and warehousing, from recipe to retail.

Homeware & Furniture

Deliver profitable in-store and online experiences with fast payments, a unified customer view and efficient stock management.

HVAC, Fire and Plumbing

Streamline service requests through digital platforms and give field technicians mobile access to real-time data.

Industrial Machinery & Equipment

Gain production-level understanding to adapt to demand fluctuations.

Oil & Gas

Specialised software trusted by over 100 mining, oil and gas companies, with real-time data for decisions in volatile markets.

Office Supplies

Personalise customer service and automate inventory, sales and dispatch.

Pharmaceuticals

Handle constrained budgets, generic competition and regulation through process automation and information sharing.

Transportation

Support digital transformation with new tools and a digital-first culture.

THE PLATFORM

What powers every industry

APPLICATIONS

Financials | Payroll & Resources | Distribution | Retail | ERP-Integrated POS App | CRM | Supply Chain | Asset & Facility Management | Manufacturing Management | Analytics

PLATFORM

Foundation | Web Interface | Enterprise Security | Tasks & Alerts | API Integration Platform | Developer Tools | Forms Management

SERVICES

Beyond the software
